

The Henley Passport Index

2025 Global Ranking

The Henley Passport Index is the original and most authoritative ranking of all the world's passports according to the number of destinations their holders can access without a prior visa. The index includes 199 passports and 227 travel destinations, giving users the most extensive and reliable information about their global access and mobility.

With historical data spanning 20 years and regularly updated expert analysis on the latest shifts in passport power, the index is an invaluable resource for global citizens and the standard reference tool for government policy in this field.
